**Check here if a lactose free diet is required**

Camp Celiac provides a gluten-free menu for the week. Those attendees that need to adhere to a lactose free diet must notify Camp Celiac at the time of registration. In 2007, Camp Celiac had over 25 other food allergies, sensitivities and intolerances to research at each meal in addition to ensuring our campers a gluten-free week. **Due to the overwhelming need to review dietary ingredients, Camp Celiac will no longer be able to accommodate any other dietary intolerances, allergies and sensitivities. We regret the inconvenience that this poses to our past and present attendees and appreciate your understanding of our policy.**

**A SPECIAL REQUEST FOR 2012:**

Camp Celiac is completely run by volunteers and we work very hard all year to ensure that camp is as inexpensive as possible for all. We stretch every dollar and also offer scholarships to those in need. Due to challenging economic times, we have already received requests for scholarship support. If you are in a position to help another child attend Camp Celiac, will you please consider adding an additional 10% or more to your full registration fee? Your donation will help us ensure that regardless of financial circumstances, a child can attend and join our Camp Celiac community this summer. We hold a **501c3 non-profit status** and can provide documentation upon request. Thank you.
