Check here if a lactose free diet is required.

Camp Celiac provides a gluten-free menu for the week. Those attendees that need to adhere to a lactose free diet must notify Camp Celiac at the time of registration. **Note: Camp Celiac will not be able to accommodate any other dietary intolerances, allergies and/or sensitivities (other than gluten free and lactose free). While Camp Celiac does not use foods containing nuts, our foods are not certified nut free. Many of our gluten-free foods are labeled as being processed on equipment where nuts are also processed. Due to this risk of cross contamination and danger to susceptible children, Camp Celiac **CANNOT** accept campers with nut allergies/sensitivities/intolerances. We sincerely regret any inconvenience.*

A SPECIAL REQUEST FOR 2017:

Camp Celiac is completely run by volunteers and we work very hard all year to ensure that camp is as inexpensive as possible for all. We still receive requests every year for scholarship support. Please consider adding an additional 10% or more to your full registration fee. Your donation will help us ensure that children can attend regardless of financial circumstances. We can provide documentation of our non-profit status upon request. Thank you.
